

Pipe clips galvanised

Application

- Direct mounting of pipelines on concrete floors under screed

Your advantages

- Time-saving, easy installation
- Hardened nails for pipe clips prevent from time-consuming drilling, plugging and screwing
- A setting tool and a hammer will suffice for attachment

Design	For pipe outer Ø [mm]	Hole diameter [mm]	Part no.	Sales unit	Pack unit
Single	15 - 16	6.1	114941	100	Pieces
	19 - 20		114965		
	21 - 22		114980		
	23 - 24		114989		
	27 - 28		115004		
	34 - 35		115016		
	39 - 40		115025		
	15 - 16		115054		
Double	17 - 18		115060		
	19 - 20		115066		
	21 - 22		115072		
	23 - 24		115078		
	27 - 28		115084		
	34 - 35		115090		
	39 - 40		115096		

Nails

for pipe clips, hardened

Shaft length [mm]	Max. thickness of fixing material [mm]	Part no.	Sales unit	Pack unit
