

## MPC-Channel support brackets

stainless steel

**Application**

- Ideal for attachment of MPC-Support channels as a cross-beam in shafts and ducts
- For right-angled connection of two channels where section slots do not have the same alignment
- Applicable as floor or ceiling mounting for vertical MPC-Support channels

**Your advantages**

- The vertical and horizontal holes in the base plate enable easy height adjustment of the MPC-Channel support bracket
- Supplied with two clamping bolts, pre-installed

MPC-Channel support bracket, crosswise

MPC-Channel support bracket, lengthwise
