

### Mounting angle

stainless steel

#### Application

- Solid fixing element for construction of pre-wall installations and shelves as well as for channel constructions for attachments of pipelines and air ducts without welding
- Applicable for direct mounting on walls, ceilings or floors
- For MPC- and MPR-Support channels

#### Your advantages

- Versatile, e.g. as: support bracket, connecting élément, angle bracket
- Multi-purpose component for professional, practical installation solutions

Mounting angle 45°

Mounting angle 90°
