

Bolt screw plugs

in stackable plastic box

Application

- The lightning-fast insertion of bolt screws into concrete, natural stone, solid brick and sand-lime brick

Your advantages

- No screwing, simply hammer into the drill hole
- Secure fastening thanks to drive-in plug with splaying technology
- Time-saving due to pre-mounted fitting bolt screw
- Impaction collar to prevent screw being hammered in too deep
- Hexagonal head permits the accurate adjustment of the bolt screw
- Delivered in a stackable plastic box
