

Plastic signs for text strips

Application

- Printed basic sign with pre-mounted plastic text strips for marking of pipelines, fittings etc. in heating, air-conditioning and ventilation control rooms

Your advantages

- Wide range of background colours available for the sign
- Standard sign size 100 x 50 mm suitable for the mounting base with protective cover
- Company details can be printed on each sign, above the text strips
- Maximum printable area is 100 x 14 mm
- Sign can be fitted with 3 text strips
- Ideal advertising medium for company address or service telephone number
- Your business card after the installation is completed
- If fewer than three lines of print are necessary, blank strips can be inserted to give the sign an uniform appearance
- Further colours available upon request
