

PVC-Self-adhesive tapes

Field of application

- Versatile – can be used for fixing and insulating

- Usable temperature range from -10 °C to +90 °C
- Largely resistant to dilute acids and alkalis

Advantages

- Prevents contact corrosion between pipe and clamps without DÄMMGULAST® lining
- Can be used as mounting aid
- Suitable for electrical insulation work
- Fire classification B1 according to DIN 4102, non-flammable and self-extinguishing
