

Brackets refrigerant anchor point galvanised

Field of application

- Stable support system with high load-bearing capacity for pipe installations
- Ideal pipe anchor point for chilled water pipes in combination with anchor point pipe clamps type 170 FL
- Ideal as height adjustable subframe for refrigerant anchor points

Advantages

- Continuously adjustable in height and slope
- As height adjustment or to compensate for unevennesses
- Especially suitable for absorbing high axial loads on the pipe

1 kit consisting of:

- 2 Mounting brackets
- 2 Adapter brackets
- 6 Coach bolts M12
- 6 Hexagonal nuts M12
- 6 Washers for M12

All parts are galvanised.
